An unidentified white female was located in a remote area at an abandoned farm house approximately 20 feet off a gravel road near Anderson, Missouri. The victim was wearing a blue jean coat, a white t-shirt, Lee brand blue jeans, and white Fitness brand hi-top sneakers size 7 1/2. Her hands and ankles were tied with 8 different types of rope and cable and the cause of death is possible strangulation. The skull was separated from the body. DNA and dental records are available.
